articulate 360

Articulate 360 gives you everything you need to create engaging, effective e-learning

Articulate 360 is an annual subscription that makes every aspect of e-learning course development simpler, faster, and less expensive. It gives course creators all the apps and resources they need, continuously updated with new features:

Award-winning authoring apps—Storyline 360 and Rise 360 —for creating courses that look gorgeous on every device

An ever-growing library of more than 9 million course assets, including stock photos, templates, characters, icons, and videos that make it easy to create beautiful courses faster

A web-based project review app for easily collecting consolidated feedback from stakeholders

Live and on-demand training webinars to help your team get up to speed on Articulate 360 and grow their skills as course developers

Industry-leading organizations rely on Articulate products to simplify e-learning development

More than 115,000 organizations in every industry in 167 countries use Articulate products to create online and mobile courses. Our customers include all 100 of the Fortune 100 companies and all 20 top-ranked U.S. universities.

And customers are seeing results ...

71%
of customers have reduced the
cost of creating training

96%
of customers say it's easier to create
more engaging courses that deliver
better learning outcomes

"I love the advanced features and continuous updates. I also like the devel-
opment community and access to resources."

Troy Johnson
